

# ROCK CLIMBING ON NOBLE ROCK FORTRESS

8 days/ 7 nights

*On this adventure, you will have opportunities to learn traditional Mongolian songs and play hand-made instrument with our Nomadic families. You will travel by horseback, camel-carts and greatly enjoy some trekking, bouldering and cave exploring. Ih Gazriin Chuluu (Special Protected Area) is known for its massive rock formation that covers a distance of 15 kilometers, as it was an underwater sea mountain range some 65-200 million years ago. What makes this area really interesting is that many of the rocks take shapes of animals, people, and even Chinggis Khan himself! This is an incredible area to practice rock climbing!.*

### **Day 1: “Shagai” competition and camel trekking:**

Upon your arrival at Mr. Batbolor's ger you will have a nomadic lunch and tea. The afternoon will be filled with the lessons on “Shagai”, traditional game. You will play “Shagai” with his family and compete with them. Mr. Batbolor will guide your journey for 8 kilometers to your overnight place by camel.

Overnight Ger (Gundsambuu): In the evening at your overnight place you can have a chance to play nomadic style volleyball and enjoy with children's singing.

### **Day 2: Wooden carvings**

This morning you will wake up to a hot cup of milk tea and fried nomad bread (like small donuts). Before departure Mr. Gundsambuu will show you how to make Mongolian traditional wooden carvings. You will trek for 12 kilometers and reach tea ger, Mr. Erdenebat's ger.

Tea Ger (Mr. Erdenebat): You will be served a nomadic lunch and tea at Mr. Erdenebat's family. You have an opportunity to learn to assemble intellectual wooden games. Mr. Erdenebat will lead you to your next overnight Ger by horse or horse cart (11km).

Overnight Ger (Mr. Chimiddorj): Mr. Chimeddorj's Family will welcome you for dinner. Then you will have an overnight.

### **Day 3: Learn the art of Assembling a Mongolian Ger and Felt Making:**

After having breakfast you will have a rare opportunity to take part in the art of making Mongolian felt. In the early afternoon you will begin your trek by foot around 13kms through some of the most amazing rock formations of lh Gazriin Chuluu like Tangad rock, Chinggis Khan Rock, Khur khartsag's memorial place and monument, Open air theatre etc and have the opportunity to take some incredible photos. You will have picnic lunch on the way. You will be surrounded

by densely packed massive formations that averagely range 400 meters and higher!

Overnight Ger (Mr. Tsembeldorj): Upon your arrival Mr. Tsembeldorj's family will serve you a dinner and tea. He worked as a local National Park ranger for 37 years. After dinner you will learn the art of assembling a mongolian ger by small maket with him.

#### **Day 4: Departure for the rock climbing area**

After your breakfast you will surround caves and famous long singer Mrs. Norovbanzad's monument by trekking along with him. On the way you will meet the local "Ovoo" (stone mound of shamanistic culture, it believes that local deities listens to the people's wishes and fulfills them) and put small stones or go out for a short trek.

In the end of afternoon, you'll arrive on the ger camp, close to the rock climbing area.

#### **Day 5, 6 & 7 : Rock climbing**

In the morning, you'll join by car, the rock climbing place and will stay there all day.
